The fee charged within the Strategy increased by the amount of the Investment Service fee. Prior to 1 July 2006, the Investment Service fee was charged outside of the Strategy and not included in performance reporting.

A 50% currency hedge applies to the cumulative International Shares and International Smaller Companies exposure of each Strategy, excluding Diversified Investment Strategy No 5. For Diversified Investment Strategy No 5 a 100% currency hedge applies to the International Shares exposure.

Past performance should not be taken as an indication of future performance of the Strategies or a guarantee of return. All figures have been rounded to one decimal place.

Hedged manager returns are based on month-end hard close exit prices for the Hedged trusts, gross of management fees, ongoing fees and expenses, assume distributions are reinvested and tax is not deducted. External unit trust returns are based on month-end hard close unit prices by the manager.

Market return is the return of the nominated market index for each asset class.

BGI Index (AFI, AP & Intl Share – Hedged), Bernstein Value (Aust Shares), BGI Total Return Multi-Opportunity Fund & BT Global Return Fund (Alternative Assets) are only available in Diversified Investment Strategy No. 5.

The nominated market index for International Smaller Companies is the S&P/Citigroup World <US\$1.5bn Cap Range Index (net dividends reinvested) in AUD unhedged.

The nominated market index for Alternative Assets is the UBSA Bank Bill Index.

The performance of the BT Global Return Fund (net of all fees charged by the manager) & BGI Total Return Multi Opportunity Fund are calculated based on the hard close exit unit price one month lagged as reported by the manager. The market return for the BT Global Return Fund and BGI Total Return Multi-Opportunity Fund is also one month lagged. These funds are only available in Diversified Investment Strategy No. 5.

Integrity Investment Management was appointed as an Australian Equities Manager effective 18 December 2007.
